# MERCEDES-BENZ THE BEST (FOOD) OR NOTHING

**EXCLUSIVE**

## Mercedes-Benz

Mercedes-Benz is so classy ... even their commercial shoots have 5-star catering for lunch.

Check out the menu on a recent set in Pasadena for the brand new GLE 350 SUV ... it's pretty far from a cold-cut platter.

- Spicy shrimp over white grits topped with garlic beer creole sauce
- Organic buttermilk fried chicken & jalapeño waffle topped with country sausage gravy
- Kobe meatloaf over Yukon gold mashed potatoes topped with a root beer raisin glaze
- Fresh apple & berry cobbler

We're told the crew for the commercial went nuts ... and everyone cleaned their plates.

Your move, Hyundai.
